What's 3PL?

3PL is a service that allows you to outsource operational logistics from warehousing, all the way through to delivery, and ultimately enables you to focus on other parts of your business.

WHAT IS 3PL?

Third-party logistics (3PL) is a supply chain model that involves three parties

BUSINESS

LOGISTICS PROVIDER

Sometimes known as a **3PL** or **3PL provider**.
Common services:

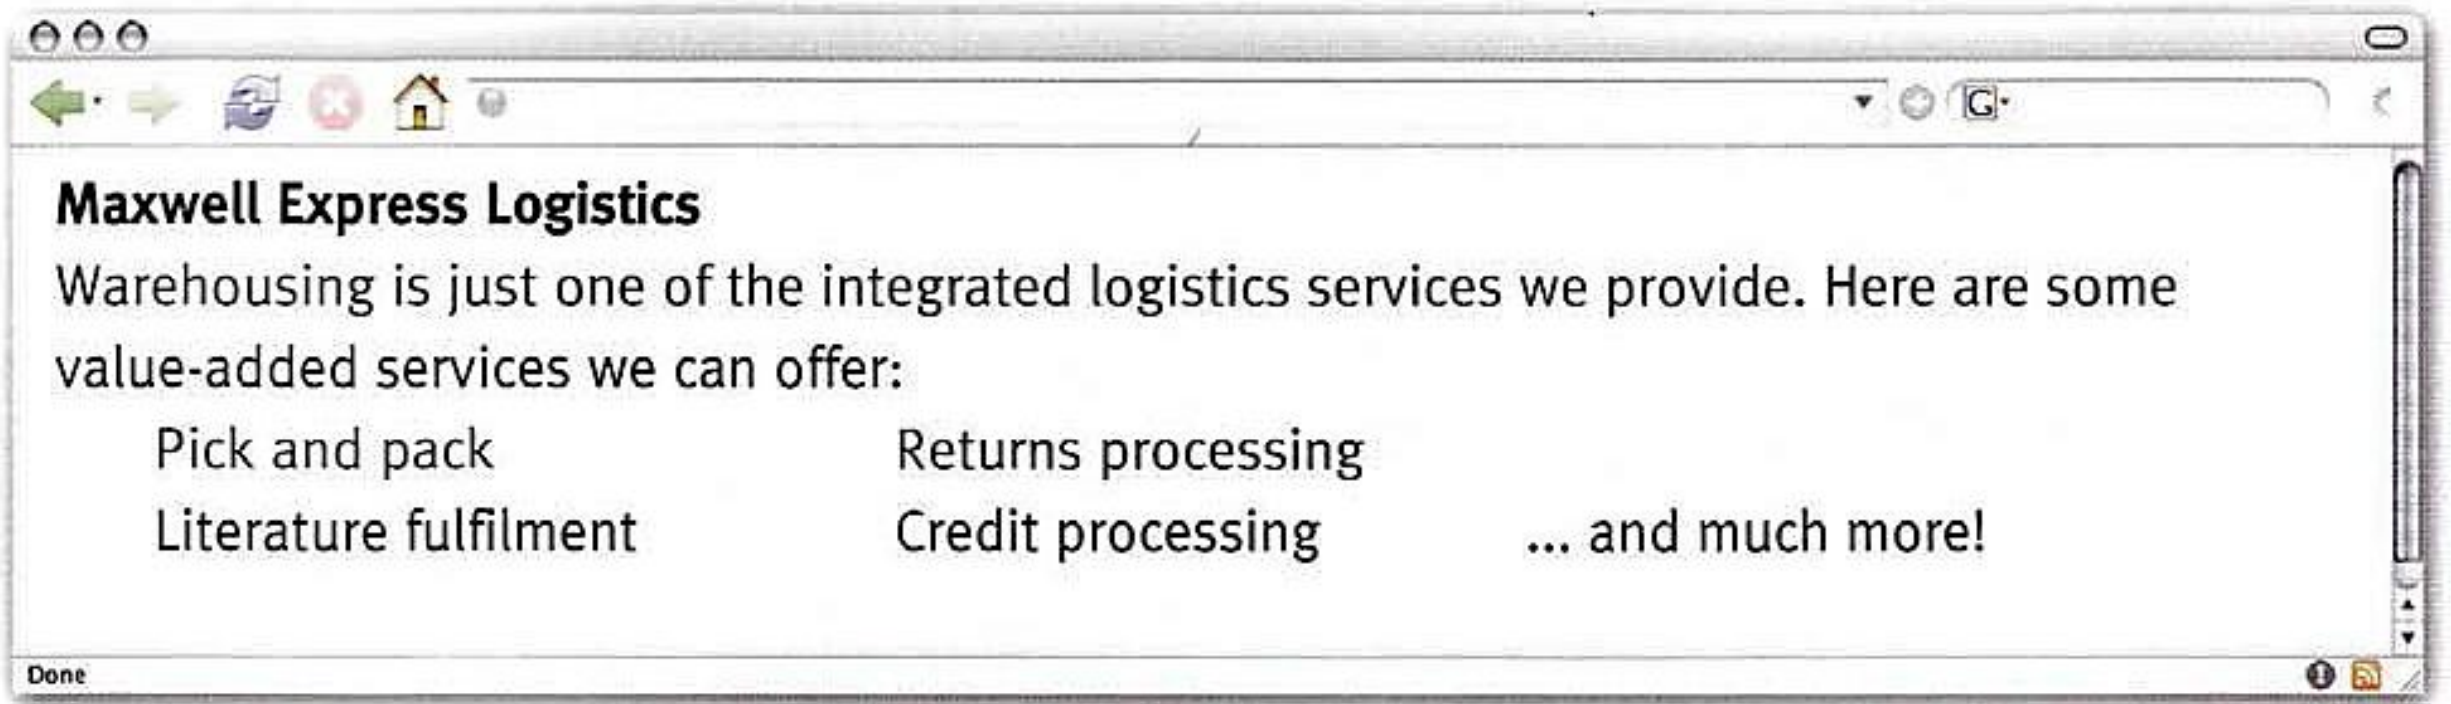

CARRIER

A large, solid black hexagon with rounded corners is the central focus. Inside it, the words "Website Advertising" are written in a bold, white, sans-serif font. To the right of the main hexagon is a smaller, solid black hexagon. Below the main hexagon is another hexagon, which is white with a thick black outline, partially overlapping the bottom edge of the main hexagon.
